Median Days To Approval

Single family homes

2025–2026 values are incomplete: slow permits from those years haven’t been issued yet.

Inner suburbs rebuild, outer suburbs expand

New Homes	Teardowns	Teardown %
6,777	1,392	20.5%

Year

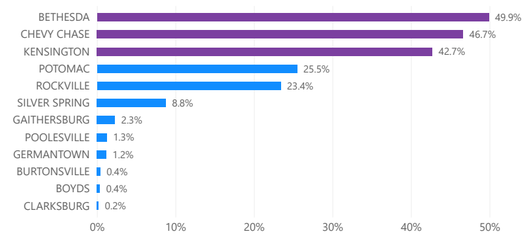

2015 — 2026

City

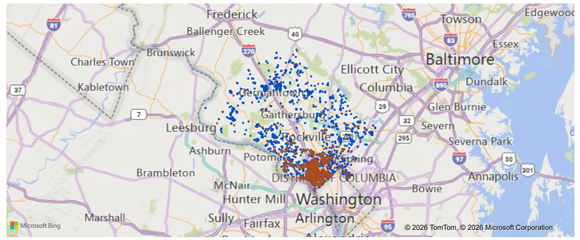

All

Share of new homes that replaced a demolished house

Purple = inner suburbs (Bethesda, Chevy Chase, Kensington)

New homes since 2015: teardowns vs. new development

Teardowns identified by keywords in permit descriptions (demo, tear, raze, rebuild), so shares are a lower bound.

New single-family homes per year
